Application for Electrical Permit

1. For detailed information and an Electrical Permit Application, Fees and Procedures please visit our website at <http://www.montgomerycountymd.gov/permittingservices/edocuments/forms> or call 240-777-6300.
2. This permit can be voided with a written request from the Master Electrician or Homeowner. A new electrical permit shall be obtained within 30 days.
3. All permits shall expire and be null and void unless the work authorized there under is commenced within six (6) months from the date of issuance; provided, that the department may upon good cause shown extend a permit one or more times from periods not exceeding sixty (60) days. Extension(s) may be granted during either of the above timeframes provided the written request is received prior to the expiration of the permit.
4. The Department of Permitting Services reserves the right to request electrical plans/drawings at any time for any electrical work.
5. All Electrical Permits must be displayed at the job site.
6. Fees may be subject to annual changes effective July 1ST.
7. Maximum of ten (10) permit applications per one check.
8. No fees shall be less than the minimum fee.
9. Refunds shall be processed per Montgomery County Executive Regulations (Schedule of Fees for Permits, Licenses & Certification METHOD 2).
10. Full Payment shall be made by check, cash or credit card (Visa/Master Card) payable to Montgomery County.
